Felix Tabitha offers a diverse range of workshops and events in our amazing Sorting Office space in Emsworth, or by the sea in sunny Bognor. If you'd like to try your hand at making your own unique piece, join one of our workshop sessions or longer courses/retreats. All our workshops & courses are fun and friendly and have a range of skills sets suitable for beginners to arty pros. Refreshments are usually on offer too to get the creativity flowing. We also like to encourage the younger generations of artists, so have put together children's and tots art and craft drop ins, workshops and holiday clubs. We also run arty parties either at your venue, or ours in Emsworth.
